tsondag@hinshawlaw.com

Trevor Sondag has over 15 years of experience in product liability litigation defense, with particular emphasis on toxic tort litigation involving asbestos. Trevor has considerable experience defending various industrial product and equipment manufacturers, premises owners, and contractors in matters that include pumps, valves, steam traps, blowers, fans, boilers, ceiling tiles, and various other products. He is engaged in all aspects of trial practice, from case intake to resolution for cases in Illinois and Missouri.

Trevor joined Hinshaw in 2008.
