Scott Seaman to Present on Environmental Insurance Coverage Trends in Strafford Webinar

September 13, 2022

Virtual Event

Hinshaw partner Scott Seaman—the co-chair of the firm's global Insurance Services Practice Group—is scheduled to present on a panel titled "Environmental Insurance Coverage Under CGL, Property, and D&O Policies for NRD, CERCLA, RCRA, OPA, and Other Claims" on September 13, 2022. The webinar will:

- Review current and emerging trends in environmental claims potential coverage under various commercial policies
- Evaluate the parameters of critical policy exclusions and the scope of covered damages
- Engage in a live question and answer session about these important issues

To register to attend the webinar, [visit Strafford's website](#).
